FOR IMMEDIATE RELEASE

YKK AP America Expands Its Western Region Sales Team

Vaughan Architectural Products to represent company in Arizona, New Mexico and El Paso, Texas Markets

AUSTELL, Ga. (March 31, 2016) – [YKK AP America, Inc.](http://www.ykkap.com) (YKK AP) continues its westward expansion with the addition of Terry Vaughan of Vaughan Architectural Products as sales agent in the Arizona, New Mexico and El Paso, Texas markets. In his role, Vaughan will focus on assisting architects and contract glaziers in specifying and purchasing YKK AP America’s complete line of commercial architectural products.

“Arizona, New Mexico and El Paso offer a lot of opportunity for us, and Terry’s knowledge of the markets and extensive experience in commercial fenestration made him an ideal partner in the region,” said Mike Turner, vice president, YKK AP America. “Terry is one of the many catalysts in our efforts to grow YKK AP’s penetration in the Western United States this year.”

Vaughan brings more than 40 years of experience in commercial construction to his role. In 1994, he started his independent representative organization, Vaughan Architectural Products, and in the process he’s represented several major commercial fenestration companies. Vaughan can be contacted at 602-418-9704 or by email at vapinc@yahoo.com.

Customer service and product distribution for the market area will be handled at the company’s recently expanded regional sales and manufacturing center located in Coppell, Texas.
