

# A delivery service you can count on.

YKK AP dedicated freight comes to **California** and **Arizona**

## Our shipping service means an improved experience for our customers.

Having the best service in the industry is not something we just talk about at YKK AP, it is something we prove every day. Our products have long established us as the undisputed leader in quality. Now, we've combined our quality with a dedicated freight system to deliver YKK AP products straight to your shop with care.

- **Increased predictability** with trucks that are scheduled to deliver on a regular basis
- **Reduced damage** as material is handled with care by shippers experienced with our product
- **Easier to process claims** — just contact your YKK AP customer service rep if a problem arises
- Ability to order/receive full truckloads outside of the regularly scheduled route service
- Dedication to your experience with convenient schedules and proven transportation measures
